

PROJOLLY QUART is a quarter-circle rounded bead profile in natural, antique brass, polished varnished and chromed brass that can be applied on external corners of coverings. It can be used to close the perimeter of coverings and like (only natural and chromed version) a connection profile between step tread and riser of stairs coated with ceramic or natural stone tiles. Its particular section, the availability in three different finishes and special pieces such as internal and external corners, end caps and joints make **PROJOLLY QUART** a much sought-after and elegant profile that allows a workmanlike application.

Polished varnished brass is not suitable for frequent pedestrian traffic places and/or scratching.

COLOURS

ON - Natural brass	OL - Polished brass	OC - Chromed brass
OB - Antique brass		

EXAMPLES AND INSTRUCTIONS FOR LAYING METHODS

1. Choose "PROJOLLY QUART" according to the tile thickness and desired finish. 2. Cut "PROJOLLY QUART" to the desired length and apply the adhesive on the support where the profile will be laid. 3. Press the anchoring flange of "PROJOLLY QUART" into the adhesive. 4. Lay the tiles, aligning them with the profile leaving a 2 mm joint. Remove immediately all remains of adhesive from the surface of the profile. 5. Fill the joints between the profile and the tiles with grout, in order to avoid water stagnation. Remove immediately all the remains of grout from the surface of the profile.
