PROSTYLE

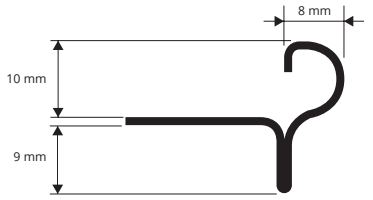

ROUNDED STEP NOSING
STAINLESS STEEL AISI 304/1.4301-V2A

PROSTYLE is a technical/decorative profile in stainless steel AISI 304/1.4301-V2A for ceramic tile/wood steps. Its particular rounded shape has been conceived to create the "torus" of the step, which is normally created with special pieces. Elegant profile for all public/private environments.
In order to perfect placing and to look after details, external angles and closing caps are available.

EXAMPLES AND INSTRUCTIONS FOR LAYING METHODS

1. Choose the PROSTYLE with suitable height for the thickness of the floor (stairs). **2.** Apply the adhesive onto the area of application of the profile. **3.** Lay and align the profile, cut to the necessary length, pressing the perforated flange into the adhesive. **4.** Lay the tiles, aligning them so that the top edge of the profile is "flush" with the tile. **5.** Fill the profile/tile area of contact with adhesive to prevent the accumulation of water in any voids.

PROSTYLE

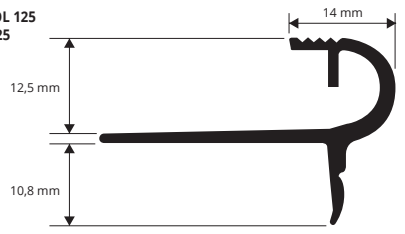

KNURLED, ROUNDED STEP NOSING
NATURAL, POLISHED AND CHROMED BRASS

PROSTYLE is a technical/decorative profile in natural brass, as well as with polished or chromed finish, for ceramic tile/wood steps. Its particular rounded shape has been conceived to create the "torus" of the step, which is normally created with special pieces. It is knurled on the top to make the profile non-slip. Elegant profile for all public/private environments. Shrink-wrapped profile with bar code.
